EXPERIENCE

Frontend Intern
Leaders hub
08/2023 - Present

- Collaborated with the design team to implement responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.
- Contributed to the development of RAC, a web application that gives users updates on criminal activities occurring in their vicinity.
- Conducted code reviews and provided feedback to enhance code quality and maintainability.
- Assisted in user testing and integrated user feedback to make iterative improvements.

AI Intern
Africa Agility (Girls in Tech Bootcamp)
10/2022 - 12/2022

- Worked with a team to develop a chatbot for a web fitness application using Microsoft Azure.
- As team lead, I ensured strategic planning towards meeting goals on time using the agile approach.
- Conducted data analysis and visualization using Python tools such as Pandas and Matplotlib.
- Worked together with a group of programmers to produce a functional prototype of the hackathon's winning fitness app.

EDUCATION

Linguistics
University of Ibadan - Bachelor of Arts
09/2018 - 11/2023

- Contributed to the development of the departmental website for the Department of Linguistics and African Languages.
